Why and how will OO Curriculum make a difference to the school and children!!!!

From School's perspective

- Well researched Curriculum
- Enhanced Teaching Methodology
- Builds credibility
- Improves Teaching Quality
- Accelerates Admissions
- Authorized and Certified OO Curriculum School

From Children's perspective:

- Learning all the concepts through Touch and Feel
- Self learning through meaningful material
- Enhances Interest in learning
- Memory development through interesting Activities
- Application of concepts beyond classroom

Steps for Implementing OO curriculum

Step 1: Invite us for a demo of the curriculum

Step 2: Post sign up, we train the teachers

Step 3: We Supply books and teaching aids

Step 4: We Certify and Authorize the School to use OO curriculum.
